**Coordinator:**

***Dr. Roberto Albergoni (HERIMED)***

**&**

***Mr George Sofronis (Municipality of Kalivia)***

### **MAIN OBJECTIVES**

- to present the project's results and outcomes;
- to advance and communicate knowledge on hazard prevention and on disaster preparedness, response and recovery;
- to raise awareness on the ***Narpimed Operational Manual for risk prevention***. This Manual is aimed at providing policy guidance in the field of natural hazard prevention and natural disaster risk reduction in Euro-Mediterranean countries and has been developed under the auspices of the EC DG Environment, into the European project NARPIMED;
- to exchange experience among the scientific and civil protection community on fire and seismic prevention methodologies and strategies;
- to enlarge the Narpimed project network (Sustainability);
- etc., etc.
